

Huntington Christian School Mission Statement

Huntington Christian School exists to serve families as a ministry and **outreach** of First Christian Church. The school will maintain a Christ-centered academic education, **connecting** students to God and establishing values for Christian **growth**, so that they may **celebrate** God and **serve** others through their character and leadership.

Sonshine Beach Club is designed with the needs of families in mind. Our program provides a positive way for your children to reinforce their learning experience throughout the summer. You may sign up for all eight, or for whatever weeks are needed.

We will have one beach day and one field trip each week. We will be going to Knott's, bowling, Boomers, skating, Wild Rivers, mystery trip and many other places.

Fun Times On Campus

Arts & Crafts, Bible, Computer, recreation and cooking classes will be provided for each student. Special guests will bring fun and entertainment. A calendar will be available in May.

Lunches

There will be special lunch days for the students. Food will be brought in from various food providers. See the calendar for these lunch days. The cost of the lunch is \$4.00. All other days students must bring their lunch, drink and morning snack.

Dress Code

Our main concern is that students look neat, clean and modest. Torn pants, very short shorts, tank tops, or tops with slogans on them are not permitted. Walking shorts are acceptable. Tennis shoes should be worn daily. Beach type sandals should only be worn at the beach. No extreme haircuts are permitted. Sagging is not permitted.

Conduct

As a Christian school we expect all students to obey clearly stated rules and expectations. These include respect for the individual, love of others, honesty, clean speech, tolerance of the right of opinions of others and respect for those in authority. Since our Summer 2009 program has a more relaxed atmosphere than the regular school year, various actions of discipline may be taken. Actions such as denial of certain privileges, being asked to leave the room, and denial of going on special field trips or excursions may be used as a means of discipline. If a problem is so severe that the student will not cooperate after consultation with the teacher, parent and Summer Directors, the child may be asked to withdraw from our program.

Sign-In & Sign-out Folder

All children are to be signed in every day and signed out when leaving. This is for your child's safety.

Registration Procedure

Send completed Summer 2009 registration form along with the \$75.00 registration fee and week (1) tuition made payable to HCS. You must also complete the Emergency Form. No more than 75 students will be admitted on any given day. This will be on a first come sign-up basis.
