

Get your running shoes ready!  
We are going around the track for the sixth year on Friday, October 27<sup>th</sup>!

All HCS students and staff are invited to run, walk, or skip  
around the track to raise money for our school.  
We need volunteers\* too if parents want to get involved!

---

This year our goal is to raise \$50,000. The funds will go towards enhancing our music and science departments, updating technology in the classrooms, and refurbishing the front office. If we hit our goal, a portion will also fund Parent Teacher Fellowship (PTF) sponsored events and school improvements.

### Collect Pledges from Family and Friends

The attached Pledge Form is for your student to collect donations to sponsor the Jog-A-Thon. Sponsorship is a flat fee and not per lap. Please support your student as he/she asks for donations from family and friends. Attached to this letter is a flyer showing the prizes your students can win!

Please complete the pledge form and return it with your checks (no cash please) to your student's teacher by Friday, October 27<sup>th</sup>, the day of the Jog-A-Thon.
